Accursia Capital acquires Four European Business Units of Optimas OE Solutions

Brescia/Schwalbach –Accursia Capital GmbH acquires four selected European businesses of Optimas OE Solutions. This includes entities in Italy, Germany, Belgium and Bulgaria, with a workforce of 200 employees. In the course of this carve-out the acquired subsidiaries will be rebranded as “Stronghold”.

The newly formed group offers to its customers comprehensive value-added C-part supply solutions. Stronghold is a strategic supply chain partner and an expert in reducing the complexity of supply chains. Within this market, Stronghold is one of the 10 largest full-service fastener providers in Europe. Moreover, Stronghold is among the Top 4 in Italy. The group benefits through high industry expertise and complete value-added solution capabilities.

„After we successfully implemented our first two platforms - tool manufacturing and plastic moulding – Accursia Capital is establishing its third platform within supply chain management. This acquisition contributes to our stable and sustainable portfolio, which we further plan to strengthen through our proven buy and build approach. “said Martin Scheiblegger, Chief Executive Officer of Accursia Capital

Accursia Capital was legally advised by the Munich team of Dentons led by Dr. Alexander von Bergwelt.
